

CIVIL AVIATION AGENCY

495.

Based on Article 94, paragraph (4) from the Aviation Act (“Official Gazette of the Republic of Macedonia” No. 14/06, 24/07, 103/08 and 67/10), the Director of the Civil Aviation Agency has adopted the following

REGULATION

ON THE FORM, CONTENT AND THE MANNER OF KEEPING RECORDS IN THE AIRCRAFT REGISTRY, AND DATA WHICH SHOULD BE SENT TO THE CENTRAL REGISTRY OF THE REPUBLIC OF MACEDONIA

Article 1

This Regulation prescribes the form, contents and manner of keeping the Register of Aircrafts, as well as the data submitted to the Central Register of the Republic of Macedonia.

Article 2

In accordance with the ICAO standards, all the aircrafts are registered in the Register of Aircrafts.

Article 3

The Aircraft Registry consists of main book, a collection of documents and additional directories.

Article 4

- (1) The main book includes one or more books in A4 format, marked by ordinal numbers.
- (2) Every book in paragraph (1) of this Article contains a specific number of register files, marked by ordinal numbers.
- (3) The register files of the main book consist of a registration file, proprietary file and freight bill.
- (4) Every aircraft is recorded in a separate register file.
- (5) The form and contents of the main book are given in Appendix 1, as part of this Regulation.

Article 5

- (1) The entry of an aircraft in the registration and proprietary files of the Aircraft Registry is executed on the basis of a decision for registration, done by the Director of the Civil Aviation Agency, in accordance with the Aviation Act.
- (2) In the registration file of the register file of the main book, data is being written about the registration type, types of certificates and other aircraft data.
- (3) In the proprietary file of the register file of the main book, data is being written about the owner and/or the user of the aircraft, and about the means of achieving ownership concerning the right to manage the aircraft.
- (4) The registration of rights over the aircraft in the freight bill of the Aircraft Registry is executed based on evidence for the existence of a right to lien.
- (5) In the freight bill of the register file of the main book, data is being written about the type of

right to lien, the lien debtor and trustee, the amount of the lien, the registration and deletion of lien and notes provided by the Law on Contractual and Real Right Relations in respect of Aviation Transport.

Article 6

(1) The collection of documents includes the documents based on which the registration of the aircraft in the registration file, proprietary file and the freight bill is executed, the decisions that are made by the Director of the Civil Aviation Agency and other documents that relate to the registering, or deleting an aircraft from the Aircraft Registry.

(2) The form and contents of the collection of documents are given in Appendix 2, as part of this Regulation.

Article 7

Apart from the main book and the collection of documents in Article 3 of this Regulation, the following additional directories are also being kept:

(1) A Directory of Aircrafts which are registered in the Aircraft Registry, presented in Appendix 3, as part of this Regulation.

(2) A Directory of Aircrafts which are deleted from the Aircraft Registry, presented in Appendix 4, as part of this Regulation.

(3) A Directory of Owners/Users of Aircrafts, in which natural persons and legal entities who have the right to manage or use an aircraft are registered, presented in Appendix 5, as part of this Regulation.

Article 8

The data of the main book are submitted to the Central Register of the Republic of Macedonia.

Article 9

The Civil Aviation Agency also keeps records of the Aircraft Registry in electronic manner, and the same are included in the electronic database of ICAO, in a manner and procedure determined by the regulations of ICAO on providing valid data about the aircrafts registered in the country-signatory, based on Article 21 from the International Civil Aviation Convention.

Article 10

By entering into force of this Regulation, the validity of the Regulation on the Contents of the Main Book of the Aircraft Registry in the Republic of Macedonia shall be terminated (“Official Gazette of the Republic of Macedonia” No. 1/94).

Article 11

This Regulation shall enter into force on the eighth day of its publication in the “Official Gazette of the Republic of Macedonia”, and shall be applied starting 1 May 2011.
